Model WS-52825
62 Inch Screen
Optional Matching Base Available

The Top-of-the-Line Diamond 825 Series MicroDisplay Integrated Digital Cable Ready HDTVs present revolutionary programming control and recording capabilities – all in a slim, stylish compact cabinet.

The HD PVR's amazing 120GB hard-drive records 12 hours of high definition programming or a hard-to-believe 72 hours of standard TV with Instant Replay and Pause functions.

TV Guide On Screen® Programming makes it simple to choose a program. Find its title or name on the screen's electronic program guide and press the ENTER button to watch it now or record it later.

The Mitsubishi 1280 X 720 Pixel DLP™ Light Engine eliminates drift in convergence, geometry and focus. It creates images that set new, higher standards for brightness, resolution and clarity.
